

GHOUSE'S COMPILATIONS LINEAGE OF FAITH : HINDU-ISLAM

An Analysis of Hindu account (various Vedas) reveals 30 solid evidences of faith lineage between Islam & Hinduism :

8 Areas Of Similarities between Hindu and Islam in Brahma

22 strong evidences of prophetic link between Vedas and Prophet Muhamad

8 Areas Of Similarities

1- The Meaning of Hindhu

Hinduism is not a religion, but a set of **'pure beliefs, rites, ceremonies, customs, noble traditions and cultures'**, which have evolved over a period of time in the valley of river Sindh. In Arabic Language, we can find one word represent the one who adopt **'pure beliefs, rites, ceremonies, customs, noble traditions and cultures'** called **'Hanif'**. In Quran, 'Hanif' is known as the beliefs of Prophet Abraham.

2- Brahma is Abraham

That 'Brahma' is actually 'Abraham', where initial letter 'A' in 'A'brahim is moved to the end making it Brahm'a'. This analysis is accurate when one writes the two words in Arabic script, a language close to that spoken by Prophet Abraham. Many historians and researchers such as Suzanne Olsson¹ approved that Brahma is actually Abraham in Bible and Ibrahim in Quran.²

3- The two sons of Brahma

The two sons of Brahma are :

- 1-Prophet Ismail in Alquran (Ishmael in Bible)- Atharva in Veda
- 2-Prophet Ishaq in Alquran (Isaac in Bible) - Angira in Veda.

4- Wife of Brahma

Brahma's wife is called 'Saraswati' in Veda or 'Siti Sarah' from Islamic historical account.

5- The 'Rig Veda'

The Rig Veda is known as one of Abraham Suhuf (revelations pamphlets/ sheets) because it contains events of the Babylonian and Egyptian kings and their wars. This

¹ Suzanne Olsson Website

² It is according to human traditional of the past, grand prophets were extremely praised to the extend 'same level with God' or to relate them as families of God – Holy Quran

coincide Islamic history of Abraham facing Namrud (Nebuchadnezzar) ,a king of Babylon³.

6- The Biggest Flood On Earth

Veda did mentioned a prophet name 'Manuh' during the biggest flood on earth which is Prophet Nuh or Noah in Quranic and biblical account.

7- The Ka'bah in Veda :

Atharva Veda X, 2, Mantras 28 and 31

28. Whether it is built high, its walls are in a straight line or not, but God is seen in **every corner** of it. He who knows the House of God, knows it because God is remembered there.

31. This abode of the angels has eight circuits and nine gates. It is **unconquerable**, there is eternal life in it and it is resplendent with Divine light.

Atharva Veda X, 2, Mantra 33

Brahma (Abraham) stayed in this abode which is illumined by heavenly light and covered with Divine blessings. It is the place that gives (spiritual) life to the people and is unconquerable.

8- Description Of God Himself

Yajur Veda chapter 31, Rig Veda Mandal 10 sukta 129, Atharva Veda 8/11/3-6 & Saam Veda 617 say that the knowledge of four Vedas is direct from God.

According to four Vedas God is mentioned as SWAYAMBHUUHU -- SWAYAM means self and BHUUHU means powers which means power of God is due to His own power. God has unlimited qualities.

Yajur Veda mantra 40/8 says ' God is everywhere, He has no shape'.

Upanishads says 'TAD SRISHTA TADNU PRAVISHT' means God created Universe & entered therein. All the four Vedas say about the God, in Yajur Veda chapter 32/3 "The Formless Supreme Spirit that pervades the universe can have no material representation, likeness or image." In Rig Veda Mandal 10 sukta 129 " God creates but nobody create God" and Rig Veda 5:1:81 says "Verily, great is the glory of the divine creator" and Atharva Veda 20:58:3 says " God is verily great" In Sanskrit Brahma means "The Creator" translated into Arabic means "Khaaliq" and Creator in English.

According to Quran (15:86) "Your Lord is the Creator, the knower" and in (6:10) " HE is the Creator of the heaven and earth." So, Worship of one God alone is mentioned in Veda for example Rigveda 8:1:1 "O friends, do not worship anybody but Him, the Divine One. Praise Him alone".

³ ref : 1935 Dr Pran Nath-Times of India

[Bhagavad Gita 9:18-19]: "I am the goal of life, the LORD and support of all, the inner witness, the abode of all. I am the only refuge, the ONE true friend; I am the beginning, the staying, and the end of creation; I am the womb and the eternal seed. I am heat; I give and withhold the rain. I am immortality and I am death; I am what is and what is not"

[Rigveda 8:1:1]: " O friends, do not worship ANYBODY but Him, the Divine One. Praise Him ALONE."

[Chandogya Upanishad 6:2:1]: "He is ONE ONLY without a second."

[Brahma Sutra]: "There is only ONE God, not the second; not at all, not at all, not in the least bit."

[Svetasvatara Upanishad 4:19]: "There is no likeness of Him."

[Svetasvatara Upanishad 4:20]: "His form is not to be seen; no one sees Him with the eye."

[Kena Upanishad]: "That which cannot be seen by the eyes, but by which the eyes see,

[Yajur Veda 32:3.]: "The Formless Supreme Spirit that pervades the universe can have no material representation, likeness or image."

[Yajurveda 40:8]: "He is bodiless and pure."

[Svetasvatara Upanishad 6:9]: "Of Him there are neither parents nor lord."

(Yajur Veda 40:9.): "They are enveloped in darkness, in other words, are steeped in ignorance and sunk in the greatest depths of misery who worship the uncreated, eternal prakrti -- the material cause of the world -- in place of the All-pervading God, but those who worship visible things born of the prakrti, such as the earth, trees, bodies (human and the like) in place of God are enveloped in still greater darkness, in other words, they are extremely foolish, fall into an awful hell of pain and sorrow, and suffer terribly for a long time"

[Bhagavad Gita 7:20]: "Those whose intelligence has been stolen by material desires surrender unto demigods and follow the particular rules and regulations of worship according to their own natures."

[Rig Veda Mandal 10 sukta 129]: "God creates but nobody create God."

[Atharva Veda 20:58:3]: "God is verily great"

In short, the knowledge of the Vedas have been stopped to be listened during the last five thousand years, that is why, the worship of only one God is not being done. During the

materialistic period this traditional task has been ear marked tough by mostly saints & public under the influence of so-called saints.

For-example Tulsi says in Ramayan "DWIJ SHRUTI BECHAK" i.e., present Gurus have sold Vedas means they never study Vedas & do know nothing about Vedas. In the next saying "SHRUTI BIRODH RAT SAB NAR NARI" means man, woman & their children have taken bold steps against the Vedas. Up to the time of Mahabharata there was no temple. Thereafter, the knowledge of Vedas decreased & between two to three thousands years the temple has been made.

The books (Mahabharata & Bhagwat Geeta etc) came after the Vedas have been described and explained on the basis of sects or self made views of present so called saints, whereas the Vedas were written by ancient Rishis. After MAHABHARAT war the knowledge of Vedas did minimize and almost came to an end, and therefore, so many sects and way of worship came in existence.

Murti or 'Idol worship' was added by Pundits & Brahmins. Now, it is for Hindu scholar's to think, as to where they stand. So, the reason of the temples and murti is only due to the decrease and little knowledge of Vedas, for the last about three thousands years, because before this period there was no temple. Temple provision is only in the sects made by Pundits and not in the Vedas. So when there was the knowledge of Vedas, only one God was worshiped. This is how religion given in the Vedas changed or converted into Hinduism by the Pundits, Brahmins and so called saints.⁴

22 strong evidences of prophetic link between Vedas and Prophet Muhamad

1- The Puranas and Vedas produces characteristics of Kalky Autar (Avatar) in its exact description of Prophet Muhamad , this research was introduced to 8 other eminent pundits (Hindu Scripture Professors) by a Hindu Brahmin named Pundit Vedaprakash Upadhai Of Allahabad University and they verified them.

Prophet Muhamad as 'Kalky Autar' is found in 4 Vedas and 18 Puranas in different ways , research shows more than 22 characteristic gathered so far :

1- 'Kalky Autar' will be the final messenger of God in this world for the guidance of the whole world and all human beings. (Bhagawat Purana, kand 1, chapter 3, shlok 25. –

2- 'Jagapati' which means Lord Of the world- Bhagawat Purana, kand 12, chapter 2, shlok 19. –

3- 'Samudra Doot Arban' which means 'last messenger from Arabia' – Rig Veda, mandal 1, sukt 163, mantra 1)

⁴ Taken from Suraya Multiply Page

4- There are 24 main Prophet, but Kalki Avtar will be the last one, who will be the end (seal) of all Prophets. (Bhagwat Puran Partham Khand Adhay 3, Shloka 25)

No Prophet except Prophet Muhammad (PBUH) has declared him as the last Prophet and it is the faith of every Muslim that Prophet Muhammad is the last Prophet and no Prophet will come after him. God Himself declared Muhammad (PBUH) as the last Prophet. For reference see (Holy Quran 33.40) " he (Muhammad) is the messenger of Allah and the Seal of Prophets, and Allah is aware of all things .." and in another place God says, " .. This day I have perfected your religion for you and completed my favor to you. I have approved Islam to be your religion ..." (5.3)

Another interesting thing is that, in the Holy Quran there are 25 Prophets mentioned by name including Prophet Ahmed (Muhammad) himself, so there were 24 main Prophets before Prophet Muhammad (PBUH). So these two predictions also fit on Prophet Muhammad (PBUH)

Prophet Muhamad is described in the Quran as the 'khataman Nabiyyiin' (Final Prophets), Messenger of God and 'Rahmatan lil Alamin' (mercy to the universe).

5. "He will be born from "SOOMATI" and his father's name will be "VAISHNUVESH". (Kalki Puran 2, Shloka II)

VAISHNUVESH and SOOMATI means servant of God (the cherisher) and peace, respectively. Prophet Muhammad father's name was ABDULLAH in Arabic language, which means God's servant, and his mother's name was AMINA in Arabic language, which means peace, so if we translate Sanskrit word "Vaishnuvesh & Soomati" in Arabic language it will be "Abdullah & Amina". So again the difference of language.

6. He will be born in the month of Bisakh on 12th day (Kalki Puran Adhay 2, Shloka 15)

Baisakh is famous month in Hindi, which is still known with this name. According to Hindi calendar Muhammad was born on 12th Baisakh of 628 Bakrami, and this day according to Arabic calendar is 12th Rabiyyul Awwal. So the date of birth matches with Kalki Avtar.

According to Hindu religious prediction the birth Kalki Avatar would take place in an isle which again according to Hindu religion is the Arab Region.

7. "HE will be born at "SHAMBAL GARAM" in VAISHNUVESH'S Brahmin Mahant's (religious saint) respectable house" (Bhagwat Puran, Khand 12, Shloka 18 and Kalki Puran Adhay 2, Shloka 4)

SHAMBAL mean peace and GARAM mean city or village, so SHAMBAL GARAM means a peace full city or city of peace, and this quality & name has been specified only for Arabia's city "MAKKAH" no other city in the world has been named city of peace. In

the Holy Quran this city has been called as "ALBALAD ALAMEEN" which mean peace full city or city of peace. For reference see Holy Quran (14:35) O God, make it (Makkah) a City of Peace". And Makkah is the city where prophet Muhammad (PBUH) born.

VAISHNU-VESH, Vaishnu is actually God's name and VESH means servant or BHAGAT and man, Vaishnuvesh mean God's servant or God's devotee and in Arabic language ABDULLAH has the same meanings.

BRAHMIN MAHANT mean religious saint and Makkah's religious and respectable saint was "Hasham", then "Mutlib", then Hasham's son "Abdul Mutlib" became the religious saint of Makkah, who was the grand father of prophet Muhammad (PBUH) and during the period of religious saint Muhammad was born in home of Abdullah son of Abdul Mutlib. In short, Muhammad was born in the respectable tribe of Quraish who enjoyed great respect and high place in Makkah. So according to scripture Kalki Avtar will be born in Brahmin Mahant's (religious saint) respectable family.

8. He will be circumcised and bearded. He will not consume pork (Bhavisya Purana, kand 3, surg 3/3, mantras 25 and 26)

This is known in the traditional that the Prophet was born circumcised . During his adult stage he do have beard right to his departed day and he prohibit eating of pork

9. In religious books of Hindus, it is mentioned that the staple food of Kalki Avatar would be dates and olives and he would be the most honest and truthful person in the region.

Without any doubt the Prophet Muhammad is acclaimed to possess these qualities. His people called him Al-Amin the 'trustworthy'.

10. Kalki Avtar's Father will die before his birth and his Mother will die after few years of his birth. (Kalki Puran, Bhagwat Puran Khand 12)

These two indications clearly fit on Prophet Muhammad (PBUH). His Father died few days earlier of his birth and his Mother died when Muhammad was only six year old. For reference please study the life history of prophet Muhammad (PBUH).

11. According to Kalki Puran, the Kalki Avtar will receive wisdom or knowledge on a mountain's cave from PERSHURAM (angle).

12."AHMAD acquired religious Law (Shariah) from his Lord. This religious Law is full of wisdom. I receive light from him just as from the Sun.."[Sama Veda II:6,8]

Allah taught Prophet Muhammad (SAW), through His messenger Jibraeel (Gabrael) in a cave known as 'Gaar-e-Hiraa' and brought the first revelation from God. For reference Holy Quran (96:1) "Read (Prophet Muhammad) with the name of Allah" and he replied " I am not learned" the same indication was given in the Christian's scripture (Isaiah

chapter 29 verse 12) " and the book delivered to him that is not learned, saying " Read this", I pray thee: and he said, I am not learned", this is another prove of his prophecy. So prophet Muhammad received his first revelation in the cave of mountain HIRA. And this prediction also fit on him.

13. He will receive a flying horse from God, which will be faster than lightning. Riding it he will go around earth and seven skies" (Bhagwat Puran Khand 12, Adhay 2, Shloka 19-20)

This prediction is about Kalki Avtar also match with the Incidence of "MIRAJ" For reference see Holy Quran (17.1) and for detail Hadith s of prophet Muhammad (PBUH) regarding Incidence of Miraj. According to these references Prophet Muhammad traveled the seven skies and there he met with previous Prophets, and for this God gave him a horse name BARQ which mean lightning and word Miraj mean height and ladder. Please study life history of Prophet Muhammad (PBUH) for details.

14. Kalki Avtar will be helped by angels during war. (Kalki Puran Adhay 2, Shloka 7)

This prediction also fit on prophet Muhammad (PBUH), when during the battle of UHAD, BADR etc. God sent His Angels for his help. For reference see Holy Quran (3:123,124,125) "And Allah must assuredly helped you at Badr when you were mortified, therefore fear Allah, in order that you will give thanks to Him. When you said to the believers, is it not enough for you that your Lord should reinforce you with three thousand (3,000) angels sent down upon you? Rather, if you have patience and cautions, and they suddenly come against you, your Lord will reinforce you with five thousand (5,000) angles"

Holy Quran (9:25) " Allah has helped you on many a battlefield ..."

This was proven in all of his battles , particularly in the Battle of Badr.

15. Kalki Avtar would ride horse, camel and keep the sword to kill the devil and enemies of religion. (Atherva Veda, kand 20, sukt 127 mantra 2)

16."He is Narashansah or the praised one (Muhammad). He is Kaurama: the prince of peace or the emigrant, who is safe, even amongst a host of 60,090 enemies. He is a camel-riding Rishi, whose chariot touches the heaven". [Atharvaveda book 20 Hymn 127 verses 1-13]

It mean that Kalki Avtar has already existed in the past time when horse and camel were used for riding and sword was being used for fight. And in this period and in the coming future people will use cars, train & planes for riding and guns, missiles will be use for fighting. So it is now useless to wait for Avtar in future. We should not forget that Prophet Muhammad (PBUH) was borne during the time of horse & camel, and he fought with sword during battles against infidels.

It is found and recorded in the Prophet's traditional that he is an excellent horse rider and a charming swordsman.

17. He will have 12 wives . (Atherva Veda,kand 20, sukt 127, mantra 2)

According to the tradition they are : 1-Khadijah, 2-Saudah, 3-Aishah, 4- Hafsah, 5- Zainab Bt Khuzaimah, 6- Ummu Salamah, 7- Zainab Bt Jahash, 8- Ummu Habibah, 9- Safiyah, 10- Maimunah, 11- Juwairiyah and 12- Mariah Alqibitiah .

18. Kalki Avtar with his four companions or will kill the evil. (Kalki Puran.Adhay 2, Shloka 5)

There were four companions or helpers of Prophet Muhammad (PBUH) who helped him in spreading Islam. Their names are: Abu Bakr (ra), Umar (ra), Usman (ra) and Ali (ra). After death of Prophet these companions ruled the country and practically imposed the religion. They are known as Khulafa - e - Rashideen in Islamic history. So this prediction also fit on Prophet Muhammad (PBUH).

19. He will face an enemy of 60,090 men. (Atherva Veda, kand 20, sukt 127 mantra 1)

Surprisingly the number is exactly the same as foretold in Vedas. The tribe of Quraish allied with Banu Ghatfan tribe numbered 10,000 + Ditch war enemy numbered 10,000 + Roman enemy in Tabuk numbered 40,000. The hypocrites who refused to go with the Prophet to fight the enemy were 80, but other hypocrites who went with the Prophet to fight were 12 or 13 and had planned to assassinate the Prophet on the way back. Of these 2 or 3 repented. Thus the hypocrites totaled 90. The total number of enemy is 60.090 men

20. It is further written in the kalki Puran that " Kalki avtar will start his preaching from the city SHAMBHAL GARAM (Makkah: city of peace) which is situated in SALAM DEEP (Jazeeratul Arab), but people of that city will be against him and irritate him, so he will migrate to another city (Madina) which will be covered with mountains. Then after few years, he will be returned to his city with sword and conquer the city and the whole country."

21. "The wagon-possessor, the truthful and truth loving, extremely wise, powerful and generous, Mamah [Mohammad] has favored me with his words. The 'son'⁵ of the All-powerful, possessing all good attributes, the mercy for the worlds has become famous with ten thousand [companions]". [Rig Veda V, 27, Mantra 1]

⁵ The word 'son' here does not mean biologically, it means 'divine authority- most beloved servant- the only reflection of God's Mercy'. As known in Hindu Scripture [Yajur Veda 32:3.]: "The Formless Supreme Spirit that pervades the universe can have no material representation, likeness or image." [Svetasvatara Upanishad 6:9]: "Of Him there are neither parents nor lord."

This prediction also fit on Prophet Muhammad (PBUH). He started his preaching from Makkah (city of peace), which is situated in Jazeeratul Arab (salam deep), when people of Makkah tried to irritate him he migrated towards the city covered with mountains (Madina) with his companions. And after few years he came back with sword and his 10,000 companions and conquered the city Makkah and after that the whole Arab. For reference please study life history of Prophet Muhammad (PBUH) and this incidence is famous with the name of " Fathu Makkah" in the Islamic history.

22. According to the scripture Kalki Avtaar will split the moon.

Prophet Muhammad (PBUH) showed this miracle 1,400 ago. For reference see Holy Quran (54:1-3) "The hour drew night and moon rend (split) in twain ..." For more details about moon splitting please study the hadiths of Prophet Muhammad (PBUH) (Volume 4, book 56, number 830-832 and volume 5, book 58, number 209-211) According to these hadiths" the people of Makkah asked Allah's Apostle to show a miracle (sign of his Prophecy). So he showed them the moon split in two halves between which they saw the Hiram Mountain on the 15th lunar calendar of Sha'ban month"

NOTE : There is an interesting tradition in India. Bhoj was an Indian king, there is still city Bhoj on his name in the territory of Kachh (Gujrat). Raja was born after so many years of Bhavishh Puran during the time of Prophet Muhammad (PBUH). One night he saw moon splitting in two, he asked the Pundits, they studied the Vedas and Puranas, and told the king that this is the miracle of last prophet, when king asked the signs or descriptions of the Prophet, they told," He will be from the city of peace (Makkah) and will be born in the house of a religious saint, his name will be "Narashansah" (praise one: Muhammad in Arabic), he will have four Khulafa (successors) and have 12 wives ".

In search of Narashansah, he came to know that he appeared in Makkah. He met with him and embraced Islam at the hand of prophet Muhammad (PBUH) and prophet gave him the name Abdullah, when he came back to home his family did not accept him. He spend his whole life in remembering Prophet and in worship of one God. For reference (Dr. Kamala Kant Tewari's book "Kalyuge Ke Antim Rishi" Page5, he took this from Pundit Dharm Ved Apadhya's book "Antim Ishwar Doot" page 97). So Raja was the first Indian who embraced Islam.

Tulsi Daas Predictions

A famous religious Scholar "TULSI DAAS" presents his conclusion in his book "RAMAYAN", which contains the story of Shri Ram. In this book he discussed and concluded the predictions and indications, which are mentioned in " Sangram Puran" kand 12, Adheyae 6:

* ["Here I will not favored anyone, I will say only that which Sadhu and Sants have said in the light of Vedas & Purans."](#)

* "He will be born in 7th Century of Bakrami and with the light of his 4 Sun, he will be appeared in the great darkness."

Muhammad (PBUH) was born on 12th Baisakh of 628 (7th Century) Bakrami and 4 Sun referred to four Khalifas, as mentioned above.

* "And he will preach his religion with wisdom and he will give good news and forbid too."

This prediction also fit on Prophet Muhammad (PBUH) for reference see Holy Quran (33:45,46,47) "O Prophet! LO! WE have sent thee as a witness and a bringer of good tidings and a Warner. And as a summoner unto Allah by His permission, and as a Lamp that give light. And announce unto the believers the good tidings (good news) they will have great bounty from Allah."

* "He will have 4 respected successors."

As their name have been mentioned above, Umar, Abu Bakr, Usman & Ali, known as Khulafa - e - Rashedeen in Islamic history.

* "And when he and his religion will be appeared then, there will be no refuge with out Muhammad (PBUH)"

To understand the refuge of Muhammad please see Holy Quran (4.13-14) "... he who obey Allah and His messenger (Muhammad), He will admit him to Gardens underneath which rivers flow that is a great wining. And he who disobey Allah and His messenger (Muhammad) and transgress His Bounds; he will admit him to a fire and shall live in it forever. For him, there is a humiliating punishment." And further in Holy Quran (3.132) "Obey Allah and the Messenger (Muhammad) in order to be subjected to mercy."

* "He will be match less and there will be no likeness to him, Tulsi Daas is what ever saying is pet and true."

According to Quran (68:4) "And thou (standest) on an exalted standard of character." And ("Ye have indeed in the Messenger of Allah, a beautiful pattern (of conduct)"(33:21).

* "The stair of 10,000 years Prophecy will be completed, then no one will get this Prophecy."

As explained above (Holy Quran 33:40) " he (Muhammad) is the messenger of Allah and the Seal of Prophets, and Allah is aware of all things .."

* "A star will shine on the Land of Arab and that land will be very respectable and glorified."

When all Arabs were in great darkness Prophet Muhammad (PBUH) appeared like a star with the light of Holy Quran.

* "He will show miracles and will be called as friend of God.

Prophet Muhammad have more than 25 miraculous miracles on the day he born and countless miracles all along his lifetime. He is known as 'Habibullah' - a close friend of God.

In fact, the divine book, Holy Qur'an contains qualities and signs attributed to Kalki Avatar reflecting on the Prophet Muhammad (SAW). The author has given numerous arguments in favour of his claim that Kalki Avatar is in fact Prophet Muhammad (SAW) and those who still await the arrival of Kalki Avatar should think again.

The Vedas also describe in detail the qualities of his companions and exact number of some of their categories.

In Vedas and Puranas, the name 'Mohammad' is found in various place as described as Kalky Avatar but in its Sanskritized form, we find '*Mameh*', '*Mohmad*' and '*Mahamad*' in :

1-Example : The Sanskrit text and translation of Verse 5 of Bhavishya Puran, Prati Sarg Parv III: 3, 3 are given below. (The boxed area in the Sanskrit text identifies the word Mahamad or Mohammad).

<p>एतस्मिन्नन्तिरे म्लेच्छ आचार्यैः समन्वितः । महामद इति ख्यातः शिष्यशास्त्रसमन्वितः ॥ ५ ॥</p>	<p>His name will be Mahamad: Bhavishya Puran: Prati Sarg, Part III: 3, 3, 5</p>
--	--

A malechha (belonging to a foreign country and speaking foreign language) spiritual teacher will appear with his companions. **His name will be Mahamad...**

2-Example : **Sama Veda II: 6, Mantra 8**

"**Ahmad** acquired religious law (Shariah) from his Lord. This religious law is full of wisdom. I receive light from him just as from the sun."

3-Example : **Rig Veda V, 27, Mantra 1**

The wagon-possessor, the truthful and truth-loving, extremely wise, powerful and generous, **Mamah [Mohammad]** has favored me with his words. The son of the All-powerful, possessing all good attributes, the **mercy for the worlds** has become famous with **ten thousand** [companions].

Kuntap Sukt, Atharva Veda, Mantra 3

He gave the **Mamah** Rishi a hundred gold coins, ten chaplets, three hundred steeds and **ten thousand [cows](#)**.

Translations:

‘Hundred Gold Coins’ referred to Hundred of his early Meccan Companions- Gold Coins resemble the value of the capital that create the whole hardship into a later victory.

‘Ten Chaplets’ indicates his ten companions who were given the good news of paradise by the Prophet.

‘Three Hundreds Steeds’ indicates three hundred thirteen companions of the battle of Badr.

‘Ten thousand cows’ ten thousand companions who accompanied the Prophet in the triumphant entry of Makkah and cleansing of [Ka'bah](#) of Idols.

A cow or an ox as described in the Vedas represents both as a symbol of peace and war. The companions of the Prophet had both these qualities. They were saintly men, pious and compassionate like a cow, and they were fierce and strong in establishing peace and justice like an ox. During triumphant entry of Makkah they were without arms-cows.

Other references on ‘Muhamad’ name mentioned in Veda :

- 4- Srimad Bhagawat, mahatampurana, chapter 2, shlok 76.
- 5- Tulasi's Ramacharitamans, deriving from Sangrampurana, khand 12, Chapter 6.

Regarding Sankritized variants of its name ‘Ahmad’, we find ‘[Ahmait](#)’, ‘[Aymid](#)’, ‘[Ahmid](#)’ and ‘[Ahmat](#)’ in :

- 1- Rig Veda, mandal 8 , mantra 10.
- 2- Sama Veda, prapathak 2, dhasti 6, mantra 8.
- 3- Atharva Veda, kand 20 , sukt 126, mantra 14.
- 4- Yajur Veda, sukt 31, mantra 18.

IMPORTANT NOTES :

- 1- This research came from various Hindu scholars and not from a muslim writing.
- 2- If this message can be accepted and recognized by today's Hindus, Muslim must include ‘Hindu’ as the Abrahamic religion or ‘people of the book’.
- 3- This new findings at least could increase respect among both faith.
